Dear Felicia,

I wanted to take this opportunity to THANK YOU and tell you what a pleasure it was to work with you this summer. The Tribeca Film Festival and Tribeca Film Center's summer rooftop parties' attendance literally doubled and I have on good authority that it was in large part due to your participation.

I will have to thank my contact at BiZBash for recommending you to me but now I completely see why she did. Your chocolates are absolutely DIVINE! Your Brownies Made By Angels are my absolute personal favorite.

Your staff, service and attention to detail are truly unparalleled. Everything from the beautiful tablescaping to the elaborate chocolate presentation, the selection of champagnes... words cannot begin to describe the thoughtfulness nor can they describe my appreciation for your work.

From all of us at Tribeca, we will miss your chocolates but hope to work with and order from you in the near future!

Sincerely,
